2016 Fall Conference Sept 16-18, 2016

Making a Difference

Sorrento Centre Retreat and Conference Centre

Dear Fellow Questers and other Friends,

Thank you for being patient about getting the Fall Conference information. We made announcements early on about the change of our traditional date from the last weekend in September to September 16-18, 2016. So I trust you have already saved the date and are just waiting for the opportunity to register and here it is.

We are excited about the excellent line-up of presenters who are all good examples of people making a difference in the world today. All of them plan on making their time with us interactive and experiential. By request we are offering a beginning dowsing class to start things off on Friday morning. It is a stand alone class, so those who choose to come a little later can start with lunch and then attend the afternoon session of Shamanic Dowsing that will be appropriate for dowsers of all levels. There will be rooms available for Thursday night and breakfast Friday morning for those who want to arrive early.

We are especially excited about trying a new venue that offers a variety of accommodations to suit anyone's preference, delicious home cooked meals and lots of nature to explore. We have restructured the schedule a bit to give longer breaks and meal times to give everyone a chance to explore the surroundings and enjoy nature's offerings. You need to make your accommodation reservation directly with Sorrento Centre.

Maple Beach Lodge Bed and Breakfast is 1 Km away -250-675-2433

You will purchase meal packages through CSQ. The kitchen can accommodate vegetarian, gluten free, dairy free, nut free and fish free meals and there is a place on the registration form to indicate your diet needs. The cost of the meal package starting with Friday breakfast and ending with Sunday lunch is \$94 or starting with Friday lunch \$84.

Vendors will be in an adjacent room to the meeting hall, which is another good reason for more free time to give everyone a chance to check out all the cool stuff being offered. We have rolled the prices back to the old \$30 for half table, \$50 for whole table to encourage more vendor participation.

Adhi would like us to bring, rattles, drums and pendulums to her Shamanic dowsing class. Brent will provide many floor mats for us but if you have one please bring it to make sure there are enough for everyone. He also suggests bringing a towel to his session.

Things have come together for this event to provide all the ingredients for yet another great conference! I sure hope you can join us for learning, sharing, enjoying nature, having fun and making a difference in the world.

In Peace, Love and Gratitude, Carol
