Astrology with Vivía de Souza

Vivia will be speaking to the incredible and rare Astrology of our times.

About Vivia

Vivía is a Professional, Consulting Astrologer with over 20 years of experience in the field of personal development and coaching, having started her practice in the early 2000's. She has spent decades learning various disciplines and modalities to aid herself and others in their healing process.

Vivía places a strong focus on the subconscious mind and changing core belief systems in order to facilitate deep and lasting change in the self. She is particularly intrigued by the workings of the mind, including human patterns, behaviours, and beliefs, and emphasizes that the subconscious mind, not the conscious mind, directs the course of our lives. She has been studying Astrology for over a decade and has since integrated this into her offerings to her clients. She approaches Astrology from a spiritual point of view, believing there is no good or bad, and that everything works for our betterment and Soul development. Her passion in Astrology is helping others understand their own intrinsic nature better by helping them get to the core of their Self, for greater comprehension of the Soul's direction and life purpose. Through the lens of Astrology she helps her clients achieve greater success by using the celestial cycles to time events for the greatest alignment and benefit.

She is the creator of the YouTube channel, "Your Soul's Well" where she aims to produce content that offers inspiration, motivation and guidance particularly through Astrology, Tarot and Oracle card readings.

Her **website**, yoursoulswell.com offers more information on her approach to healing and on her own personal journey
