## CSQ FALL CONFERENCE PRESENTERS

September 28 - 30, 2007  
Martin Exeter Hall, 100 Mile House, BC

### Raising Our Vibrations

#### Biographies - Speakers

##### **Alicja Aratyn - Toronto**

Alicja established the Alicja Centre for Well-Being and works full-time as a holistic healer, teacher and professional dowser. Her courses and workshops are updated regularly according to the ever-growing flow of information. Her techniques involve the use of empowerment by means of increased self-esteem and ethical methodology as well as the use of certain metaphysical tools such as the Tarot, the pendulum and numerology.

**Alicja will teach** the Beginners' Dowsing School on Friday. On Sunday morning she will talk about Sacred Geometry shapes and their influence on dowsing tools. She will also offer a post-conference workshop entitled "Energy Alchemy – Dowsing for Better Life."

##### **Chris Bernetchez and Barry Taylor – Vancouver, BC**

Chris and Barry are part of a duo, Aleatora. The duo presents Crop Circle photographs by Chad Deetken and Janet Ossebaard, accompanied by their own improvised music. Each presentation is different and never rehearsed as the performers wish to appreciate and accompany the crop circle forms as works of art and use them as guidelines or a musical score for the show's soundtrack. For an example of the show, visit [www.suncoasartas.com/aleatora/cropcircles.htm](http://www.suncoasartas.com/aleatora/cropcircles.htm).

**Chris and his partner** will present "A Crop Circle Experience" – a musical complement to crop circle photographs.

##### **Marnie Bradfield - Victoria, BC**

Marnie is a Reiki Master, teacher, mentor and researcher. She is the co-author of “Dowsing: A Gateway to the Suprasense.” She works with Dr. Harold D. Foster for two to three months yearly in sub-Saharan Africa to raise consciousness and run trials on the use of an orthomolecular solution to the AIDS pandemic.

**Marnie’s presentation** will focus primarily on the remarkable work of Dick Perrott as recorded in their book “Dowsing: A Gateway to the Suprasense.”

### **Paul Elder – Port Alberni, BC**

Paul has spent a lifetime studying human nature from a unique perspective. He is a survivor of three near-death experiences, at 12, 17 and 41. He is currently a “remote viewing” instructor in Virginia and spends his time writing, teaching, and speaking in the United States and Canada about near-death and out-of-body experiences. He is the author of Eyes of an Angel.

**Paul will discuss** leading-edge research into extraordinary levels of consciousness and human abilities in his address entitled “The Afterlife – A Wonderful Awakening.”

### **James Gilliland - Oregon**

– James has a very diverse background in both formal education and actual work experience. After a near-death experience he began a spiritual journey which included work with yogis, lamas, master teachers and included extensive practices in meditation. He is a teacher, spiritual counselor, and energetic healer. He has also published two books Reunion With Source and Becoming Gods II.

**Anthony will offer** the Intermediate and Advanced Dowsing School. He was also give a talk entitled “From Start to Eternity” which will cover all aspects of dowsing with special reference to the “Unknown Helpers” he has encountered

during the last 15 years. In addition, he will offer a post-conference workshop entitled “Building on Dowsing Skills.”

### **Carol Heywood-Babrauskas - Issaquah, Washington**

During the Harmonic Convergence in August, 1987, Carol was zapped by planet-awakening energies that triggered her DNA to evolve and initiate the opening of her pineal gland-third eye. Her experiences have gifted her with an expanded perception and a desire to share the news of the vast and readily available spiritual resources. She is the author of Passionate Pinky and the Evolutionary Experiment.

**E-mail:** [pinkrose@centurytel.net](mailto:pinkrose@centurytel.net)

**Carol will explain** and facilitate an interactive demonstration of creative movement. This movement is gentle enough for anyone to participate and will serve to open the channels through which DNA upgrades travel to reach the hundreds of receiving stations throughout the body. She will also offer a post conference workshop on movement.

### **Agnes Kraweck - Edmonton, Alberta**

Agnes is an independent researcher and a graduate of Donsbach University School of Nutrition in California. She is an international lecturer who works closely with other researchers and health professionals researching human energy, mental stress and nutritional imbalances and their effect on the body.

**E-mail:** [agnes@triune.info](mailto:agnes@triune.info)

**Agnes’ talk** – “Wake Up Your Brain! To New Cells! New Body! New Life” will focus on New Brain Research and how you can turn back your biological clock, change your genetics, and activate new power within in as little as three days.
