### 2011 Spring Conference

#### Speaker Biographies, Presentation and Workshop Information

##### **Neil Slade ~ Denver, CO**

An author, composer, concert performer, artist and teacher, Slade has taught Brain Self-Control to millions via radio, TV and through his popular web site The Amazing Brain Adventure. Slade was primary assistant to Brain and Behaviour Researcher T.D.A. Lingo for 11 years at Colorado's Dormant Brain Research and Development Laboratory. He has published over 20 original audio and music CDs, and he has directed and written two feature films. His books include The Frontal Lobes Supercharge, Brain Magic, Cosmic Conversations, Have Fun Anti-Rules, and The Book Of Wands. ([www.neilslade.com](http://www.neilslade.com))

**Conference presentation:** Turning On Brain Magic Power (Friday evening keynote)

Slade will describe Brain Self-Control methods pioneered at the Colorado Wilderness Dormant Brain Research Laboratory from 1957-1993, and further developed up to the present with thousands of participants. These discoveries allow any person to easily turn on new levels of creativity and intelligence and to access normal-paranormal abilities “as easy as clicking on a light switch”.

**Sunday workshop:** The Brain Magic Workshop (see registration form)

This workshop will cover all the basic tenants of Slade’s flagship book The Frontal Lobes Supercharge, and will then give participants immediate brains-on results with dozens of practical and fun brain games and exercises from his book Brain Magic. Access Alternate Realities and Parallel You-Niverses as described and detailed in his 1100 word treatise on the subject, The Book of Wands.

## **Vlasty & Diane Senovsky ~ West Vancouver, BC (Beginning dowsing school Friday)**

Vlasty is active as a writer, lecturer, teacher, dowser and consultant in the field of geopathic and electromagnetic energies. Diane Senovsky offers her personal experience of geopathic injury and journey of recovery through learning about the dangers of geopathic zones and electromagnetic radiation. ## **Dr Victor Shamas ~ TUCSON, AZ**

Victor Shamas, Ph.D., teaches psychology at the University of Arizona and is Executive Director of Playhaven (<http://playhaven.org>), a non-profit organization that uses various forms of shared play to advance spiritual development, reduce stress, promote compassion, improve health, and build a sense of community among people of diverse cultural backgrounds and religious faiths. His first book, *The Chanter's Guide: Sacred Chanting as a Shamanic Practice*, describes the spiritual lessons he learned during a two-year apprenticeship with a shaman from Oaxaca, Mexico. "Beneath his playful exterior lies the passionate heart of a mystic and the mind of a serious scholar". excerpt from book forward ([www.victorshamas.com](http://www.victorshamas.com))

### **Conference presentation: Sacred Play (Saturday Afternoon)**

His idea of play as a spiritual path is deceptively simple. For 15 years, Dr. Shamas has been teaching people how to make their play the centerpiece of their spiritual lives. Dr. Shamas has guided over 40,000 people through his unique "divine play" circles, which generate an experience of healing and transformation through the simple experience of shared play.

### **Sunday workshop: Play Circle (see registration form)**

As part of this circle, we will come together to share music, rhythm, movement and laughter. "Play connects us with the two most powerful forces at our

disposal: love and joy." Feel free to bring your drums, percussion, dancing feet and a light heart!
